100% of money raised goes to our school

Welcome

Children do better at school with parents and carers by their side. Taking part in your child's school life and supporting their learning shows it's important to you. And that makes a big difference to them.

Why PTA Matters...

Partent Teacher Association (PTA)

It's Good For You

Becoming part of the PTA is a great way to get to know other parents and teachers while gaining an insight into the workings of the school. Every parent has plenty to offer a PTA, your talents will be put to good use. As well as being enjoyable and satisfying, you can build your confidence and learn new skills too.

For the Kids

Being active in the PTA not only improves your child's school but makes you an excellent role model. When children see us involved in their school and learning, it encourages them to do their best.

It Raises Funds

Whether it's creating an outdoor trim trail, providing iPads for the classrooms or arranging a visit from a top author, the funds raised from your activities impact massively on the opportunities and experiences of all the children at school.

Get Involved

The PTA generally meet every half term, to discuss and plan fundraising events and how the allocate the money we have generated. You don't need to attend the meetings to be involved, remember, every little helps.

Each individual class at Birkbeck has a **Class Rep** and a class specific WhatsApp group. This is a great way to communicate, not only PTA related topics but it's also a platform to discuss things such as homework, lost property, social events etc.

The role of Class Rep varies widely, you can be fully involved in the PTA or simply forward messages to your group. We will need new Class Reps for this years Reception classes, **could this be you?**

We would love to hear from you, so please do get in touch. Simply return this slip to the school office or send us a message:
